

Hello and Welcome.

Do you want to know if God answers prayer and works in the lives of people today? If so, you need to ask God to prove himself and it starts with receiving the Holy Spirit with the evidence of speaking in tongues.

In Matthew 7 Jesus says, "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you". This Holy Spirit experience is waiting for you to ask God for it.

Indeed Jesus says that he came to earth and died on the cross so that the Holy Spirit could abide in us.

There are many scriptures from the Bible that show that true worshippers received the Holy Spirit with the tangible sign of speaking in tongues, and yes, God is still filling people with the Holy Spirit with the evidence of speaking in tongues today.

If you are serious about wanting God to work in your life, wanting to have the holy Spirit and a God given new prayer language, find a comfortable spot and think about how your Creator sent His Son Jesus to die for you, that He rose again to be with His Father, and that the perfect gift of the Holy Spirit is yours to receive right now, then I encourage you to pray by saying 'Hallelujah', 'Praise the Lord' as a way of focusing your thoughts.

Be sincere and focused in your thinking about God – His grace and love towards you; His pledge to change your life; His promise of salvation. As you pray, you'll feel your tongue starting to change as you continue to praise Him – don't hold back. Let the Holy Spirit take over! Let the miracle of speaking in tongues commence in you.

Some people will begin to speak in tongues very quickly and some take a little longer. The Lord fills you with the Holy Spirit when the time is right, and you'll know God has - because you will speak in a new language you never knew before.

Don't give up, be patient, and let the promise of God, the Holy Spirit, come into your life. Remember this is something God gives because he loves you and wants you to know him. If you would like someone to pray with or if you begin to speak in new tongues, we would love to pray with you and show you more in the bible about what God wants for you.
