ACTIVITIES

Dot to dot-

Make a butterfly

Say: **Let's make something to help us remember that if we answer Jesus' question, "Do you believe this?" as Martha did, we can have new life, too! Martha said she believed that Jesus is the Son of God. If we believe that, too, we can have new life forever with Jesus!**

When a butterfly comes out of its cocoon, we could say that it has new life because then it's beautiful and free. That's sort of how it'll be when we get new life in heaven because we believe in Jesus. We'll be happy and free forever. Let's make butterflies to remind us that Jesus gives us hope.

Give each child a sheet of colored construction paper and a pencil, and set out the scissors. Show kids each how to trace their two hands on the paper in such a way that the fingers are pointing away from one another, with their thumbs aligned. They can color the handprints to look like butterfly wings, write their names on the butterflies, and then cut them out. Encourage children to write on their butterflies the name of someone they will tell about new life in Jesus this week.

Say: **Use this butterfly to remember that just as a butterfly has new life when it emerges from its cocoon, so will we have new life when we go to heaven. You can make your own butterfly come to life by rolling up your paper with the blank side out.** Pause for kids

to do this. **Now unroll it to let your butterfly come out of the cocoon**

Lazarus

Connect the dots to finish this picture.

Mary, Martha, and Lazarus were close friends of Jesus. When Lazarus got very sick, his sisters sent for Jesus. But Jesus didn't go to Bethany right away. He waited until Lazarus was dead. Then he went to Bethany and told Mary and Martha to trust him. He went to the tomb and raised Lazarus from the dead.
