Jonah – A vital message in code

God told the prophet Jonah to go to Nineveh, but Jonah went the other way - and he ended up in the belly of a whale! After the whale spit him out, Jonah went to Nineveh like God had asked.

Jonah Disobeys

Jonah needs to go to Nineveh. Can you help him?

God gave Jonah a special job to do. Jonah was a prophet and his job was to give God's messages to people. But, Jonah didn't want to do the job God gave him. He ran away, so God put Jonah inside a big fish for three days. Jonah thought about his disobedience and decided to do what God wanted him to do.

Because Jonah repented and prayed to God, he was delivered from the fish. Then he obeyed God by going on to Ninevah.

The runaway prophet

Long ago in the land of Israel, God called one of His prophets, Jonah, to go to Nineveh. Jonah was to deliver a message to this powerful city warning them that God was very displeased with their wickedness. But instead of going to Nineveh, Jonah got onto a ship and sailed away in the opposite direction.

God didn't allow Jonah to disobey so easily and soon a terrible storm arose. Terrified, the sailors prayed to their gods and threw the cargo overboard to lighten the ship, but to no avail.

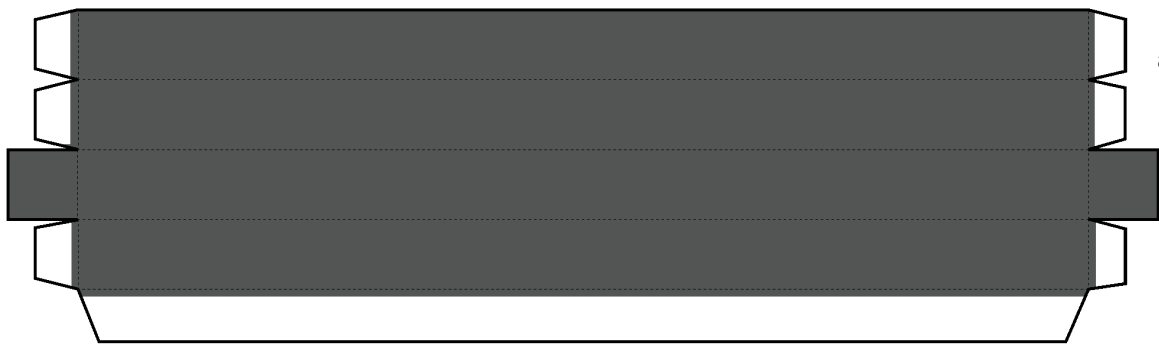

Meanwhile, Jonah was found sleeping, and the sailors decided that their problem had something to do with him. After admitting his disobedience, Jonah told them that they should throw him overboard and that God would then stop the storm. Once Jonah was off the ship, the storm ceased, but not all was well for poor Jonah. God sent a big fish to swallow him ...
